---

Groups are defined as 10 persons or more. Group fees are \$3 per adult 19 and over, \$2 per child under 19. Before skiing, please put this form and the money in one of the envelopes from the mailbox by the Trailhead. Seal it, write GROUP on the signature line of the label, and put it in the cash slot in the post to the left. Do not use larger envelopes as they clog the post.

---

Please make sure your group follows the suggested rules below, designed to make the skiing safe and enjoyable for all:

1. Do not walk or snowshoe on the groomed trails, this means both the tracks AND the flat rolled sections
2. No dogs on the trails
3. Downhill skiers have priority
4. Be courteous when passing or being passed. Keep to right, pass on left
5. Fill in 'sitz' marks after falling on trails
6. Don't skate ski over the tracks – they are for classic skiing
7. Do not leave garbage, take it home with you
